**Refrigeration & Air Conditioning Mechanic**

**OPEN TO:** All Interested Candidates

**POSITION:** Refrigeration & Air Conditioning Mechanic, FSN-4, FP-AA, Trainee

**OPENING DATE:** February 20, 2015

**CLOSING DATE:** Until Filled

**WORK HOURS:** Full-time; 40 hours/week

**SALARY:**

Ordinarily Resident (OR): FSN-4, THB 251,050 per annum (Starting salary)

Not Ordinarily Resident (NOR): FP-AA (Position Grade to be confirmed by Washington)

**ALL ORDINARILY RESIDENT (OR) APPLICANTS MUST HAVE THE REQUIRED RESIDENCY PERMITS TO BE ELIGIBLE FOR CONSIDERATION.**

The U.S. Embassy in Bangkok is seeking an individual for the position of Refrigeration & Air Conditioning Mechanic in its Facilities Management section located at 120 -122 Wireless Road.

**BASIC FUNCTIONS REQUIRED:**

The incumbent performs full journeyman level in refrigeration and air conditioning trade. S/He also performs duties involved in installation, renovation, modification, preventive maintenance & repair, rebuilding of machines, equipment, components and control devices associated with refrigeration and air conditioning systems; including cooling, heating, ventilation and air circulation system for various government held properties.

**QUALIFICATIONS REQUIRED:**

*All applications must address each selection criterion detailed below with specific and comprehensive information supporting each item in DS-174 block no. 19-22.*

- (1) Completion of high vocational certificate from technical school. Must possess vocational training in air conditioning, maintenance and repair or preventive maintenance (approx. 3 years);
- (2) At least one year of direct experience in maintenance, repair and installation of refrigeration and air conditioning systems;
- (3) Level I (Rudimentary Knowledge) speaking/reading/writing in Thai and English (Provide a copy of valid TOEIC score of at least **250**, or pass the English Placement Test (EPT) that is conducted by the Regional Human Resources Office);

- (4) Ability to drive and possess a valid Thai driver's license (a copy of Thai driver's license is required with application);
- (5) Ability to operate various hand tools, power equipment, and instruments, and ability to produce journeyman-level quality and quantity of work;
- (6) Skills in manual and mechanical lifting; driving; security and safety equipment, and ability to understand continuing technological updates within a reasonable time.

#### **SELECTION PROCESS:**

When fully qualified, U.S. citizen Eligible Family Members (AEFMs) who are U.S. Veterans will be given preference. Therefore, it is essential that the candidate specifically address the required qualifications above in the application.

#### **TO APPLY:**

Please follow the check lists and submission guidelines, posted on the official website:

[http://bangkok.usembassy.gov/job\\_opportunities.html](http://bangkok.usembassy.gov/job_opportunities.html) carefully and submit complete application package thru [bkkrecruitment@state.gov](mailto:bkkrecruitment@state.gov) before the deadline.

**Failure to follow the instructions will invalidate your application.**

**CLOSING DATE FOR THE POSITION:** Until Filled

**Resources Conservation Engineer**

**OPEN TO:** All Interested Candidates

**POSITION:** Resources Conservation Engineer, FSN-9, FP-5 (Step 1 thru 4), Trainee

**OPENING DATE:** April 10, 2015

**CLOSING DATE:** Until Filled

**WORK HOURS:** Full-time; 40 hours/week

**SALARY:**

Ordinarily Resident (OR): FSN-9 THB 640,463 per annum (Minimum starting salary)

Not Ordinarily Resident (NOR): FP-5 (Step 1 thru 4) (Position Grade to be confirmed by Washington)

**ALL ORDINARILY RESIDENT (OR) APPLICANTS MUST HAVE THE REQUIRED RESIDENCY PERMITS TO BE ELIGIBLE FOR CONSIDERATION.**

The U.S. Embassy in Bangkok is seeking an individual for the position of Resources Conservation Engineer in its Facilities Management section, American Embassy Bangkok.

**BASIC FUNCTIONS REQUIRED:**

Provide all leadership, technical, and program expertise necessary to lead, manage, and fulfill the mandate and requirements for regulatory energy management and resources conservation priorities for all Mission properties. The focus of position requirement is threefold. The first mandate is to identify, develop and implement a viable education program aimed at raising the collective consciousness toward energy saving and environmental conservation throughout the entire Embassy Mission community. Secondly, the incumbent is tasked with surveying the entire energy consumption platform at USG properties in Thailand and then identify, develop, and implement appropriate and beneficial energy and environmental (Green) projects, policies, and processes mission wide. This includes Energy Conservation Measures (ECMs) based on life-cycle cost analysis and long-term sustainability. Third, the incumbent is responsible for developing a reporting mechanism that identifies and accurately monitors all mission resource consumption as well as actions completed and the beneficial financial and environmental savings created by energy conservation/"Green" efforts. Incumbent will also be expected to be the expert point of contact and maintain a depository of information concerning all energy saving and environmental efforts undertaken throughout the mission Thailand.

**QUALIFICATIONS REQUIRED:**

(1) Completion of a Bachelor's Degree in professional engineering; Electrical/Mechanical Engineer, Environmental Engineer, Operation Engineer, or Civil/Structure Engineer is required;

(2) Minimum four years of progressively responsible, professional-level experience in program/project design, program/project planning, construction, maintenance, environmental/energy management and/or

project implementation work, with Central or State Government organizations, or private-sector institutions which included project design and performance monitoring is required;

(3) Level IV (Fluent) speaking/reading/writing in Thai and English (A copy of TOEIC score of at least 855 can be submitted after the deadline, but before interview. Only short listed candidates who are selected for interview will be notified);

(4) Must understand and be able to use and interpret standard mechanical, electrical, civil and mechanical engineering tools, concepts, drawings, and practices is required;

(5) Must have excellent skills in order to prepare resource monitoring reports, mission policies, and in writing scopes of work for identified projects and work actions;

(6) Must be able to use Microsoft Word, Excel, PowerPoint and Project is required.

### **SELECTION PROCESS:**

When fully qualified, U.S. citizen Eligible Family Members (AEFMs) who are U.S. Veterans will be given preference. Therefore, it is essential that the candidate specifically address the required qualifications above in the application.

**Project Management Specialist (China Support)**

**OPEN TO: All Interested Candidates**

**POSITION: Project Management Specialist (China Support), FSN-11**

**OPENING DATE: July 24, 2015**

**CLOSING DATE: August 20, 2015**

**WORK HOURS: Full-time; 40 hours/week**

**SALARY: FSN-11 ₱1,179,069 per annum (Starting salary)**

**APPLICANTS MUST HAVE THE REQUIRED RESIDENCY PERMITS TO BE ELIGIBLE FOR CONSIDERATION.**

The U.S. Embassy in Bangkok is seeking an individual for the position of Project Management Specialist (China Support) in the U.S. Agency for International Development/ Regional Development Mission for Asia (USAID/RDMA), located at Athenee Tower, Wireless Road, Bangkok.

**JOB SUMMARY:**

The incumbent serves as a Project Management Specialist in USAID's Regional Development Mission for Asia's Office of Governance and Vulnerable Populations (GVP) under the supervision of the Democracy Officer (Vulnerable Populations Team Lead). The position requires substantial experience, as the incumbent is to provide the full range of consultative, advisory, management, analytical, and networking/liaison functions, working and at times leading within the office team to realize objectives. The incumbent is expected to provide strategic planning; and programmatic, managerial and technical support, primarily in support of USAID's China assistance portfolio as well as in support of other governance and vulnerable population activities in the region.

**MAJOR RESPONSIBILITIES:**

**A. Project/Activities Management and Support:**

- Act as a Contracts/Agreement Officer's Representative (COR/AOR) with responsibilities in the areas of agreement/partner monitoring; agreement and/or contract technical revisions recommendations; financial management of awards; ensuring related security and environmental compliance associated with awards and/or contracts; and award administration including effective communications and compliant files maintenance.
- Work collaboratively with USAID's multiple and variant implementing partners in China and throughout the region. Assist in the planning/coordination of meetings, workshops, and conferences; monitor programs through field visits throughout the region; maintain appropriate documentation, and produce reports on USAID financed activities.

- Track financial information on grants; provide technical assistance and programmatic advice across multiple sectors and countries, analysis, assessment and research, reporting and communications, identification/resolution of issues affecting overall program performance and response/communication with USAID offices in the region and Washington.
- Conduct frequent visits to project sites in China and across the region to monitor program activities; review quarterly and other reports, brief the GVP team, and provide feedback to grantees and contractors

#### **B. Strategic Planning, Program Design and Implementation:**

- Serve as a key member of the GVP China assistance team and as required, regional program management and strategic planning teams;
- Assist in the design of innovative activities for bilateral and regional activities including, e.g., support to ethnic minorities; rule of law; democracy and governance; humanitarian assistance; and migration and refugee issues;
- Support the development of Statements of Work as they relate to project activities; manage field support activities, including review and approval of proposed work plans; design and manage appropriate systems to track specific field support activities and their budgets; and
- Make recommendations to partners and stakeholders on improvements in program implementation; provide technical assistance in program design, implementation and evaluation of VP activities across the region; provide direction and capacity building for local and international (Non-Governmental Organizations (NGOs) implementing USAID activities.

#### **C. Embassy/Host Country Relations, Networking, Country Backstopping:**

- Establish good working relationships with U.S. embassies and host country officials, as well as with other donors, multilateral institutions, international and local NGOs and be able to articulate GVP activities and strategies to them;
- Organize donor coordination activities in support of project activities; and
- Serve as backstop to embassy staff in RDMA countries with no USAID presence; maintain good working relationships with all relevant offices within the RDMA and USAID Washington.
- 

#### **D. Research Analysis, Reporting, Communications:**

- Draft official USAID documentation, such as letters to host governments, embassies, and partners; congressional budget justifications, annual reports, assistance and acquisition documents, action memoranda and others;
- Report on all travel and project visits, inform VP staff of new information or research on relevant regional development issues; and
- Assist in design and updates on briefing papers.
- 

#### **QUALIFICATIONS REQUIRED AND SELECTION CRITERIA:**

*All applications must address each selection criterion detailed below with specific and comprehensive information supporting each item in DS-174 block no. 19-22. If the application submitted fails to demonstrate eligibility, the application will be marked unqualified. It is the responsibility of the applicant to provide all pertinent information.*

- (1) **Education:** Master's Degree in academic disciplines, such as International Development, International Business, Economics, Ethnology, Business Administration, International Finance, Trade, Development or social science is required.
- (2) **Experience (20 points):** The minimum periods of professional experience required for this position are 1) five (5) years managing democracy, governance and/or human rights programming; and 2) at least three (3) years of this work experience with a U.S. Government Agency or other international/local organization or donor.
- (3) **Language (20 points):** Level IV, Fluent in English (TOEIC score of 855 or above) required. Level III, Mandarin Chinese (Chinese Proficiency Test (HSK) Level III or above) required. Given the nature of the position, effective written and oral communications, principally in English, are absolutely critical to perform successfully in this position. The incumbent is required to be able to prepare briefing documents, including participation in the drafting of annual performance reports, completion of the Operational Plan, and development of the Congressional Budget Justification. The incumbent must also be able to prepare reports, correspondence, and documents in English in a professional and competent manner requiring little or no editorial changes. This position will be required to engage with a variety of colleagues inside the USAID/ RDMA Mission and will also have a role engaging with USAID stakeholders outside the Mission.
- (4) **Knowledge (30 points):** A comprehensive knowledge of the concepts, principles, techniques and practices for implementing development interventions in democracy, governance and/or human rights programming assistance is required. General knowledge of development issues in China and Southeast Asia and the organizations involved in development activities is required. Knowledge and understanding of China, the Chinese Government and other regional country government and non-government entities is needed to fulfill the responsibilities of this position. The position also requires the incumbent to have knowledge and experience in development project design, implementation, management and evaluation. He/she should also have a good overall knowledge of development needs and issues in the region.
- (5) **Skills and Abilities (30 points):**
  - Demonstrated ability to pay attention to details; ability to obtain, analyze, and evaluate a variety of data including organizing and presenting information in concise written and oral formats required;
  - Ability to plan, develop, manage and evaluate important and complex programs independently required;
  - Ability to furnish information and advice in assigned areas objectively required;
  - Demonstrated thoughtfulness, flexibility, ability to work as a team member in a culturally diverse environment, follow instructions while also being assertive and confident in solving both conceptual and on-the-ground program management problems on his/her own, organize, prioritize and follow through on all assignments with minimal oversight required;
  - Proficiency in word processing, spreadsheets, databases and other computer applications (i.e., Microsoft Office, Excel, PowerPoint, Google Doc, Google Spreadsheet, Google Presentation skills) required; familiarity with mapping software programs, such as Google Earth and demonstrated ability to learn to use these programs in day-to-day work required.
  - Demonstrated ability to transmit and interpret host country government and non-governmental sector program-related concerns to senior USAID officials and Mission Management required;

- Demonstrated potential to acquire knowledge of USAID programming policies, regulations, procedures, and documentation; and U.S. Government legislation relating to development assistance required; and a thorough understanding of the objectives, methodology, and status of the Mission's overall strategic objectives and goals required;
- Excellent interpersonal skills in order to facilitate productive professional relationships with other members of the USAID team, with USAID/RDMA's implementing partners, and with national counterparts required; to establish and maintain contacts at all levels of associated host government(s) (i.e., from the community level to the Ministerial level) and with stakeholders in the non-governmental arena in order to explain USAID process, policies, objectives, and procedures required; and
- Willingness and ability to travel to China and possibly throughout Southeast Asia and elsewhere as/when necessary or requested required; willingness and ability to overtime may be required or necessary to ensure effective stewardship of responsibilities.

## **SELECTION PROCESS:**

Applications will be initially screened and scored for eligibility in accordance with the required qualifications and points mentioned above. To be considered for candidacy, applicants must address each criterion in their application as to how they meet the minimum qualifications for this position. Top-ranked candidates who meet the minimum qualification will be given a recruitment test. The recruitment test and interview will be structured around the selection criteria above. Applicants with passing marks from recruitment test and with a valid TOEIC score of 855 or above and HSK level III or above will be invited for an interview. Recruitment test and interview will be conducted in USAID/RDMA Bangkok, Thailand. USAID/RDMA will screen for nepotism/conflict of interest in determining successful candidacy. Reference checks will be conducted once the applicant pool is narrowed down to the top candidate(s). Only shortlisted candidates for final interview will be notified of the selection result. Internal candidates must have successfully completed a one year probationary period of employment before being eligible to apply.

## **TO APPLY:**

Please follow the check lists and submission guidelines, posted on the official website:

[http://bangkok.usembassy.gov/job\\_opportunities.html](http://bangkok.usembassy.gov/job_opportunities.html) carefully and submit complete application package thru [bkkrecruitment@state.gov](mailto:bkkrecruitment@state.gov) before the deadline.
